

# We Can Work It Out

The Beatles (1973)

G C G C F G  
Try to see it my way. Do I have to keep on talking till I can't go on?

C G  
While you see it your way,

C F G  
Run the risk of knowing that our love may soon be gone.

C G C D  
We can work it out; we can work it out.

G C G  
Think of what you're saying.

C F G  
You can get it wrong and still you think that it's all right.

C G  
Think of what I'm saying

C F G  
We can work it out and get it straight or say goodnight.

C G C D  
We can work it out; we can work it out.

Em Am B Em D C D  
Life is very short and there's no time for fussing and fighting my friend.

Em Am B Em D C D  
I have always thought that it's a crime, so I will ask you once again:

G C G  
Try to see it my way.

C F G  
Only time will tell if I am right or I am wrong.

C G  
While you see it your way,

C F G  
There's a chance that we might fall apart before too long.

C G C D  
We can work it out; we can work it out.

**(Chorus)** *(Repeat 1st Verse, end on G)*
