G                                  D7          G                                  D7  
Yankee Doodle went to town, a-riding on a pony;  
G                                  C                                  D7                                  G  
Stuck a feather in his hat and called it macaroni.

C    G  
Yankee Doodle, keep it up, Yankee Doodle Dandy,  
C  
Mind the music and the step,  
                                G                                  D7                                  G  
And with the girls be handy.

G    D7          G    D7  
Father and I went down to camp, along with Captain Gooding,  
                                G                                  C    D7    G  
And there we saw the men and boys, as thick as hasty pudding.

(Chorus)

G    D7          G    D7  
There was Captain Washington, upon a slapping stallion,  
                                G                                  C    D7    G  
A-giving orders to his men, I guess there was a million.

(Chorus)
