

Kryptonite

3 Doors Down (2000)

[Capo 2nd fret]

Am F G
I took a walk around the world to ease my troubled mind,

Am F G
I left my body lyin' somewhere in the sands of time.

Am F G
I watched the world float to the dark side of the moon,

Am F G
I feel there's nothin' I can do, yeah.

Am F G
I watched the world float to the dark side of the moon.

Am F G
After all I knew it had to be somethin' to do with you.

Am F G
I really don't mind what happens now and then,

Am F G
As long as you'll be my friend at the end.

Am F G
If I go crazy then will you still call me Superman.

Am Dm Em
If I'm alive and well will you be there a holdin' my hand,

Am F G Am Dm Em
I'll keep you by my side with my super human might, Kryptonite.

Am F G
You call me strong, you call me weak, but still your secrets I will keep.

Am F G
You took for granted all the times I never let you down.

Am F G
You stumble again and bump your head, if not for me then you'd be dead.

Am F G
I picked you up and put you back on solid ground.
