

Cast No Stones

Cody Jinks (2015)

[Capo 1st fret]

G C
I cast no stones. I build no walls.
G D
And I tell the truth when the truth comes to call.
G C
And I try to walk that narrow way,
G D G
Sometimes I go over the lines, and I won't make it back 'till the next day.

C G
I cast no stones. What gives you the right,
D C G
To tell me my business, good God, man, you're out of your mind.
C G
So put up your bible, or let me get mine.
D C G
I'm not draggin' the whole world to hell: you're wasting my time.

C
I don't talk with Jesus (as much as I should).
G D
I don't read that good book (every day like I could).
G C
But I like to stop - at the end of the day,
G D G
And I pray that I hurt nobody, somebody new found their way.

(Chorus x2)

C D7 G
Say a prayer for me brother, and I'll see you on down the line.
