

You say that we've got nothing in common,  
no common ground to start from,  
And we're falling apart.  
You'll say the world has come between us,  
our lives have come between us,  
Still I know you just don't care.

And I said what about Breakfast at Tiffany's?  
She said, "I think I remember that film,  
And as I recall I think we both kind of liked it."  
And I said, "well, that's the one thing we've got."

I see you're the only one who knew me,  
And now your eyes see through me,  
I guess I was wrong.  
So what now? It's plain to see we're over,  
And I hate it when things are over,  
And so much is left undone.

And I said what about Breakfast at Tiffany's?  
She said, "I think I remember that film,  
And as I recall I think we both kind of liked it."  
And I said, "well, that's the one thing we've got."

You say that we've got nothing in common,  
no common ground to start from,  
And we're falling apart.  
You'll say the world has come between us,  
our lives have come between us,  
Still I know you just don't care.
