

# Solitude

Duke Ellington (1934)

*Intro: C Am Dm G7 C Am Dm*

G7 C Am D7

In my solitude, you haunt me

G7 C

with reveries of days gone by.

G7 C Am D7

In my solitude, you taunt me

G7 C

with memories that never die.

F F#dim

I sit in my chair. I'm filled with despair.

C C7

There's no one could be so sad.

F F#dim

With gloom everywhere, I sit and I stare.

C G7

I know that I'll soon go mad.

C Am D7

In my solitude, I'm praying

G7 C

dear lord above, send back my love.
