

# Have Yourself a Merry Little Christmas

Judy Garland (1944)

G        Em    Am        D7  
Have yourself a merry little Christmas,  
G        Em        Am    D7  
Let your heart be light.  
G        Em        Am                    D7    B7   E7   A7   D7  
From now on, our troubles will be out of sight.

G        Em    Am        D7  
Have yourself a merry little Christmas.  
G        Em        Am    D7  
Make the Yuletide gay.  
G        Em        Am                    B7    Em        G  
From now on, our troubles will be miles away.

C                                  Bm  
Here we are as in olden days,  
                                Am        D7    G  
Happy golden days of yore.  
Em        F#                                  Bm  
Faithful friends who are dear to us,  
                                D                                  D7  
Gather near to us once more.

G        Em        Am        D7  
Through the years we all will be together,  
G        Em        Am    D7  
If the Fates allow.  
G        Em        Am                    D7        Em  
Hang a shining star upon the highest bough,  
                                C                                  Am        D7        G  
And have yourself a merry little Christmas now.
