

## Logical Song

Supertramp (1979)

Am F Em7  
When I was young, it seemed that life was so wonderful,  
G Dm7 D7  
a miracle, oh it was beautiful, magical.

Am F Em7  
And all the birds in the trees, well they'd be singing so happily,  
G Dm7 Fm7  
joyfully, playfully watching me.

Am F Em7  
But then they send me away to teach me how to be sensible,  
G Dm7 D7  
logical, responsible, practical.

Am F Em7  
And they showed me a world where I could be so dependable,  
G Dm7 Fm7  
clinical, intellectual, cynical.

C Fm7  
There are times when all the world's asleep,  
F A#  
these questions run too deep for such a simple man.  
C Fm7 F  
Won't you please, please tell me what we've learned, I know it sounds absurd,  
A#  
but please tell me who I am.

Am F Em7  
Now watch what you say or they'll be calling you a radical,  
G Dm7 D7  
liberal, fanatical, criminal.  
Am F Em7  
Won't you sign up your name, we'd like to feel you're acceptable,  
G Dm7 Fm7  
Respectable, presentable, a vegetable!

C Fm7  
At night, when all the world's asleep,  
F A#  
The questions run so deep for such a simple man.  
C Fm7 F  
Won't you please, please tell me what we've learned, I know it sounds absurd  
A#  
But please tell me who I am.
