When you're down and troubled,
and you need a helping hand,
And nothing, nothing is going right.
Close your eyes and think of me, and soon I will be there
To brighten up even your darkest night.

You just call out my name,
And you know, wherever I am,
I'll come running to see you again.
Winter, spring, summer, or fall,
All you have to do is call,
And I'll be there, you've got a friend.

If the sky above you is dark and full of clouds,
And that old north wind begins to blow,
Keep your head together and call my name out loud.
Soon I will be knocking on your door.

You just call out my name,
And you know, wherever I am,
I'll come running to see you again.
Winter, spring, summer, or fall,
All you have to do is call,
And I'll be there, you've got a friend.
