Am E7  
When you're down and troubled,  
Am  
and you need a helping hand,  
Dm G7 C E7  
And nothing, nothing is going right.  
Am E7 Am  
Close your eyes and think of me, and soon I will be there  
Dm Em F G7  
To brighten up even your darkest night.

C C7/E F Dm  
You just call out my name, And you know, wherever I am,  
D7 C Am Dm G7  
I'll come running to see you again.  
C C7/E F  
Winter, spring, summer, or fall, All you have to do is call,  
C/G G7 C  
And I'll be there, you've got a friend.

Am E7 Am  
If the sky above you is dark and full of clouds,  
Dm G7 C E7  
And that old north wind begins to blow,  
Am E7 Am  
Keep your head together and call my name out loud.  
Dm Em F G7  
Soon I will be knocking on your door.

(Chorus)
