

[Capo 7th fret]

Dm7 Em7
 Inside my head there lives a dream that I want to see in the sun.
 Dm7 Em7
 Behind my eyes there lives a me that I've been hiding for much too long.
 Dm7 Em7
 'Cause I've been too afraid to let it show, 'Cause I'm scared of the judgment that may follow,
 Dm7 Em7 Em
 Always putting off my living for tomorrow.

F#m7 Em7
It's time to step out on faith; I've gotta show my face.
 Dm7 Em7
It's been elusive for so long, but freedom is mine today.
 F#m7 Em7
I've gotta step out on faith; It's time to show my face.
 Dm7 Em7 Em
Procrastination had me down but look what I have found, I found:
 F#m7 Em7 F#m7 Em7
Strength, courage, and wisdom, and it's been inside of me all along.
 F#m7 Em7 F#m7 Em7 Em
Strength, courage, and wisdom, inside of me.

Dm7 Em7
 Behind my pride there lives a me that knows humility.
 Dm7 Em7
 Inside my voice there is a soul, and in my soul there is a voice.
 Dm7 Em7
 But I've been too afraid to make a choice, 'cause I'm scared of the things that I might be missing,
 Dm7 Em7 Em
 Running too fast to stop and listen.

Bridge & Chorus

I close my eyes and I think of all the things that I want to see,
 'Cause I know, now that I've opened up my heart I know that
 Anything I want can be, so let it be, so let it be...

F#m7 Em7 F#m7
 Strength, courage, and wisdom, and it's been inside of me all along.
 Em7 F#m7
 Strength, courage, and wisdom, and it's been inside of me all along, everyday I'm praying for:
 Em7 F#m7
 Strength, courage, and wisdom, and it's been inside of me all along.
 Em7
 Strength, courage, and wisdom, inside of me.

I found it in me, I found it finally. I'm sure to keep it' cause I like it, I say thank you.
