

# Wind Beneath My Wings (from "Beaches") Bette Midler (1988)

G C [Capo 2<sup>nd</sup> fret]

It must have been cold there in my shadows,

G C

to never have sunlight on your face.

Am G D

You were content to let me shine, that's your way.

Am G D

You always walked a step behind.

G C G C

Well I was the one with all the glory; and you were the one with all the strain.

Am G D Am G D

A beautiful face without a name, for so long; a beautiful smile to hide the pain!

Em C G Em C G

Did you ever know that you're my hero? And everything I would like to be?

Em C G C D G

I could fly higher than an eagle, for you are the wind beneath my wings.

G C G C

It might have appeared to go unnoticed, but I've got it all here in my heart.

Am G D

I want you to know I know the truth, of course I know it.

Am G D

I would be nothing without you.

Em C G Em C G

Did I ever tell you you're my hero? You're everything, everything I wish I could be.

Em C G C D G

Oh and I, I could fly higher than an eagle, for you are the wind beneath my wings,

C D G

'cause you are the wind beneath my wings.

G C G C

Fly, fly, fly away, so high I almost touch the sky.

G C D G

Thank you, thank you, thank God for you, the wind beneath my wings.
