

Well there is no such thing as you,
It doesn't matter what you do.
The more you try to qualify,
The more it all will pass you by.

Some people like to make life a little tougher than it is.
Some people like to make life a little tougher than it is.

Well the more you try to shave the cat,
The more the thing will bite and scratch.
Its best I think to leave its fur
and to listen to its silky purr.

Some people like to make life a little tougher than it is.
Some people like to make life a little tougher than it is.

Well there is no such thing as you,
It doesn't matter what you do.
The more you try to qualify,
The more it all will pass you by.

Some people like to make life a little tougher than it is
Some people like to make life a little tougher than it is

Some people like to make life a little tougher than it is.
Some people like to make life a little tougher than it is.
