

# Tougher Than It Is

Cake (2004)

From Pressure Chief

I IV  
Well there is no such thing as you

I IV  
It doesn't matter what you do

I V7 I  
The more you try to qualify, The more it all will pass you by

IV V7 I V  
Some people like to make life a little tougher than it is

IV V7 I  
Some people like to make life a little tougher than it is

I IV  
Well the more you try to shave the cat

I IV  
The more the thing will bite and scratch

I V7 I  
Its best I think to leave its fur and to listen to its silky purr.

IV V7 I V  
Some people like to make life a little tougher than it is.

IV V7 I  
Some people like to make life a little tougher than it is.

*(Repeat first verse)*

IV V7 I V  
Some people like to make life a little tougher than it is.

IV V7 I  
Some people like to make life a little tougher than it is.
