

# Call Me Maybe

Carly Rae Jepsen (2011)

G Em  
I threw a wish in the well. Don't ask me, I'll never tell.  
C D  
I looked to you as it fell, and now you're in my way.  
G Em  
I trade my soul for a wish, pennies and dimes for a kiss.  
C D  
I wasn't looking for this, but now you're in my way.  
G Em  
Your stare was holdin', ripped jeans, skin was showin'  
C D  
Hot night, wind was blowin'. Where you think you're going, baby?  
G Em  
Hey, I just met you, and this is crazy,  
C D  
but here's my number, so call me maybe?  
G Em  
It's hard to look right, at you baby,  
C D  
but here's my number, so call me, maybe?  
G Em  
And all the other boys try to chase me  
C D  
but here's my number, so call me maybe?

You took your time with the call. I took no time with the fall.  
You gave me nothing at all, but still, you're in my way.  
I beg, and borrow and steal; Have foresight and it's real;  
I didn't know I would feel it, but it's in my way.  
Your stare was holdin', ripped jeans, skin was showin'  
Hot night, wind was blowin'. Where you think you're going, baby? *(Chorus)*

G Em  
Before you came into my life I missed you so bad.  
C D  
I missed you so bad. I missed you so, so bad *(Repeat, Chorus)*
