(I've Had) The Time of My Life   Bill Medley & Jennifer Warnes (1987) from *Dirty Dancing*

```
      E                         D                              E
Now I've had the time of my life, no I never felt like this before!
                          D                        E
Yes I swear, it's the truth and I owe it all to you!

                         D                          E
'Cause I've had the time of my life and I owe it all to you.

          D
I've been waiting for so long,
                                 E
Now I've finally found someone to stand by me.
              D                              E
We saw the writing on the wall as we felt this magical fantasy.
D
Now with passion in our eyes,
                                 E
There's no way we could disguise it secretly.
      D                                            E
So we take each other's hand 'cause we seem to understand the urgency.
A                 G
   Just remember you're the one thing I can't get enough of.
A                     B7
   So, I'll tell you something, this could be love, because ...
```

(Chorus)

```
           D                                   E
With my body and soul, I want you more than you'll ever know.
    D                                       E
So we'll just let it go, don't be afraid to lose control.
       D                                          E
Yes I know what's on your mind when you say "Stay with me tonight,"
A                       G
   Just remember you're the one thing I can't get enough of.
A                       B7
   So, I'll tell you something, this could be love, because ...
```

(Chorus)
