

Give me a second I, I need to get my story straight,
My friends are in the bathroom getting higher than the empire state.
My lover, she's waiting for me just across the bar.
My seat's been taken by some sunglasses asking 'bout a scar,
and I know I gave it to you months ago, I know you're trying to forget,
but between the drinks and subtle things, the holes in my apologies,
You know I'm trying hard to take it back.

so if by the time the bar closes, and you feel like falling down, I'll carry you home.

Tonight, we are young.
So let's set the world on fire, we can burn brighter than the sun.
Tonight, we are young.
So let's set the world on fire, we can burn brighter than the sun.

Now I know that I'm not all that you got, I guess that I just thought maybe
we could find a ways to fall apart, but our friends are back so let's raise a cup,
Cause I found someone to carry me home.

Tonight, we are young.
So let's set the world on fire, we can burn brighter than the sun.

Carry me home tonight, just carry me home tonight.
Carry me home tonight, just carry me home tonight.

The moon is on my side, I have no reason to run,
So will someone come and carry me home tonight.
The angels never arrived, but I can hear the choir,
so will someone come and carry me home,

so if by the time the bar closes, and you feel like falling down, I'll carry you home.

Tonight, we are young.
So let's set the world on fire, we can burn brighter than the sun.
Tonight, we are young.
So let's set the world on fire, we can burn brighter than the sun.
