

# Hey Jealousy

Gin Blossoms (1989)

[Capo 2<sup>nd</sup> fret]

Tell me do you think it'd be alright, if I could just crash here tonight.  
You can see I'm in no shape for drivin', and anyway I've got no place to go.  
And you know it might not be that bad, you were the best I ever had.  
If I hadn't blown the whole thing years ago, I might not be alone.

Tomorrow we can drive around this town,  
And let the cops chase us around.  
The past is gone but something might be found to take its place.  
Hey jealousy, ... hey jealousy,  
Hey jealousy, ... hey jealousy.

You can trust me not to think, and not to sleep around.  
And if you don't expect too much from me, you might not be let down.  
Cause all I really want's to be with you, to feel like I matter, too,  
If I hadn't blown the whole thing years ago, I might be here with you.

(Chorus x2) (Repeat first verse)

Hey jealousy, ... listen to my heart. There's only one thing I can start.  
You know it might not be that bad, you were the best I ever had.
