

# ABC

The Jackson 5 (1970)

A-buh buh buh buh buh, A-da da da da da da!

You went to school to learn, girl, what you never, never knew before.

Like I before E except after C; why two plus two makes four, na na na!

I'm gonna teach you, (*teach you, teach you*), All about love, yeah! (*All about love!*)

Sit yourself down, take a seat; all you gotta do is repeat after me:

**A B C, easy as 1 2 3; oh simple as Do re mi, A B C, 1 2 3, baby you and me, girl!**

Come on let me love you just a little bit, (x2) I'm gonna teach you how to sing it out!

Come on, come on, come on; let me show you what it's all about!

Reading and writing, arithmetic, all the branches of the learning tree,  
But without the roots of love everyday girl, education makes complete.

T-T-T-Teacher's gonna show you, (*show you, show you*), How to get an A, (*nah nah nah nah*),

Spell me and you, add the two, listen to me baby that's all you gotta do!

**A B C, easy as 1 2 3; oh simple as Do re mi,  
A B C, 1 2 3, baby you and me, girl!**

That's how easy love can be, that's how easy love can be!

Sing a simple melody; 1, 2, 3, baby you and me!

Sit down girl! I think I love you! No! Get up girl! Show me what you can do,  
Shake it, shake it baby, come on now! Shake it shake baby, ooh ooh  
Shake it, shake it baby, oh! 1, 2, 3, baby, ooh ooh!

A, B, C, baby, na na! Do, re, mi, baby, no! That's how easy love can be!

**A B C, easy as 1 2 3; oh simple as Do re mi,  
A B C, 1 2 3, baby you and me, girl!**
