You went to school to learn, girl, what you never, never knew before.

Sit yourself down, take a seat; all you gotta do is repeat after me:

G A C G A C G A C G D Em C D G  
A B C, easy as 1 2 3; oh simple as Do re mi, A B C, 1 2 3, baby you and me, girl!

Come on let me love you just a little bit, (x2) I'm gonna teach you how to sing it out!  
Come on, come on, come on; let me show you what it's all about!

C G C  
Reading and writing, arithmetic, all the branches of the learning tree,

But without the roots of love everyday girl, education makes complete.
