

You're beautiful, beautiful you should know it  
(You're beautiful, beautiful you should know it)  
I think it's time, think it's time that you show it  
You're beautiful, beautiful.

Baby whatcha doin' where you at, where you at?  
Why you acting so shy? Holding back, holding back.  
We're not the only ones doin' it like that, and like that.  
So DJ bring that, bring that, bring that, bring that back.

Cuz all around the world    People want to be loved, yeah.  
Cuz all around the world,    They're no different than us.

*Yeah.. Once again,  
The dynamic duos is back again!  
Jb, luda!  
I love everything about you,  
You're imperfectly perfect!  
Everyone's itching for beauty  
But they're just scratching the surface.  
Lost time is never found,  
Could the DJ please reverse it  
In life we pay for change  
Let's make every second worth it!  
Anything could work if you work it  
When people say you don't deserve it  
Then don't give in, cuz hate may win some battles  
But love wins in the end!  
You shine just like the sun while the moon and the stars  
reflect your light Beauty evolves around you  
It's only right that ...*
