```
C                          Em            Fmaj7
   I backed my car into a cop car the other day.
      Em          Em7             C
Well he just drove off, sometimes life's OK!
                              Em              Fmaj7
I ran my mouth off a bit too much, oh what did I say?
      Em           Em7           C
Well you just laughed it off, it was all OK.

C         Em         Fmaj7         Em        Em7    C
  And we'll all float on OK. ... And we'll all float on OK.
          Em         Fmaj7         Em              Em7
And we'll all float on OK. ... And we'll all float on anyway.

C                             Em                    Fmaj7
   Well, a fake Jamaican took every last dime with that scam.
      Em          Em7                 C
It was worth it just to learn some sleight of hand.
                              Em          Fmaj7
Bad news comes, don't you worry, even when it lands.
      Em           Em7           C
Good news will work its way to all them plans.
                        Em              Fmaj7
We both got fired on exactly the same day.
      Em           Em7               C
Well we'll float on, good news is on the way.          (Chorus)

  C               Em          Fmaj7               Em     Em7
Alright already, we'll all float on. No don't you worry. We'll all float on.
  C               Em          Fmaj7               Em     Em7
Alright, already, we'll all float on. Alright, don't worry, we'll all float on. (2:30)
  C               Em          Fmaj7               Em     Em7
Alright already, and we'll all float on. Alright already, we'll all float on.
  C                Em          Fmaj7               Em     Em7
Alright, don't worry even if things end up a bit too heavy, we'll all float on.
  C               Em          Fmaj7               Em     Em7
Alright already, we'll all float on. Alright already, we'll all float on.
  C               Em          Fmaj7               Em     Em7
OK, don't worry, we'll all float on. Even if things get heavy, we'll all float on.
  C               Em          Fmaj7               Em     Em7
Alright already, we'll all float on, alright. Don't you worry, we'll all float on (alright),
      C
We'll all float on.
