

I feel so extraordinary, something's got a hold on me.
I get this feeling I'm in motion, a sudden sense of liberty.
I don't care 'cause I'm not there, and I don't care if I'm here tomorrow.
Again and again I've taken too much of all the things that cost you too much.

I used to think that the day would never come
I'd see delight in the shade of the morning sun.
My morning sun is the drug that brings me near
To the childhood I lost, replaced by fear.
I used to think that the day would never come
That my life would depend on the morning sun.

When I was a very small boy, very small boys talked to me.
Now that we've grown up together they're afraid of what they see.
That's the price that we all pay and the value of destiny comes to nothing
I can't tell you where we're going, I guess there was just no way of knowing.

I used to think that the day would never come
I'd see delight in the shade of the morning sun.
My morning sun is the drug that brings me near
To the childhood I lost, replaced by fear.
I used to think that the day would never come
That my life would depend on the morning sun.

I feel so extraordinary, something's got a hold on me.
I get this feeling I'm in motion, a sudden sense of liberty.
The chances are we've gone too far,
you took my time and you took my money.
Now I fear you've left me standing in a world that's so demanding.

I used to think that the day would never come
I'd see delight in the shade of the morning sun.
My morning sun is the drug that brings me near
To the childhood I lost, replaced by fear.
I used to think that the day would never come
That my life would depend on the morning sun.
