New Order (1987)

Am F G Em  
I feel so extraordinary, something's got a hold on me.  
Am F G Em  
I get this feeling I'm in motion, a sudden sense of liberty.  
Am G F Em  
I don't care 'cause I'm not there, and I don't care if I'm here tomorrow.  
G F Em E  
Again and again I've taken too much of all the things that cost you too much.

Am C G  
I used to think that the day would never come  
D Am  
I'd see delight in the shade of the morning sun.  
C G  
My morning sun is the drug that brings me near  
D Am  
To the childhood I lost, replaced by fear.  
C G  
I used to think that the day would never come  
F  
That my life would depend on the morning sun.

Am F G Em  
When I was a very small boy, very small boys talked to me.  
Am F G Em  
Now that we've grown up together they're afraid of what they see.  
Am G F Em  
That's the price that we all pay and the value of destiny comes to nothing  
G F Em E  
I can't tell you where we're going, I guess there was just no way of knowing. (Chorus)

Am F G Em  
I feel so extraordinary, something's got a hold on me.  
Am F G Em  
I get this feeling I'm in motion, a sudden sense of liberty.  
Am G F Em  
The chances are we've gone too far, you took my time and you took my money.  
G F Em E  
Now I fear you've left me standing in a world that's so demanding. (Chorus)
