

Our Time Now

Plain White T's (2007)

There will be no rules tonight: if there were, we'd break 'em.
Nothing's gonna stop us now: let's get down to it.
Nervous hands and anxious smiles, I can feel you breathing.
This is right where we belong. Turn up the music, oh, oh, oh, oh!

This is the dance for all the lovers,
Takin' a chance for one another
Finally it's our time now.
These are the times that we'll remember,
Breaking the city sight together,
Finally it's our time now, it's our time now.

This is more than just romance: it's an endless summer.
I can feel the butterflies, leading me through it.
Take my heart, I'll take your hand, as we're falling under.
This is an addiction girl, let's give in to it, oh, oh, oh, oh.

This is the dance for all the lovers,
Takin' a chance for one another
Finally it's our time now.
These are the times that we'll remember,
Breaking the city sight together,
Finally it's our time now, it's our time now.

Oh, oh, oh, oh; Oh, oh, oh, oh.

This is the dance for all the lovers,
Takin' a chance for one another
Finally it's our time now.
These are the times that we'll remember,
Breaking the city sight together,
Finally it's our time now, it's our time now.
