

# Gotta Be Me (from *Teen Beach 2*)

Ross Lynch Maia Mitchell (2015)

[Capo 2<sup>nd</sup> fret]

A C G A C G  
You and me are meant to be like a brand new board and an awesomist wave.  
A C G A C G  
Thing is, honey, I'm your need for every chillin' an' tryin' to catch some waves.  
A C G A C G  
Without you I'll sing the blues, said I'll rock, rock, rock, rock, rock and roll.  
A C G A C G  
So I'm hopin' you miss me too and you're down to do whatever since I rode the moon.

A  
*March to the beat, I march to the beat gonna do my thing.*

*March to the beat, I march to the beat gonna do my thing.*

C G  
C'mon and feel this beat, 'cause I gotta be me.  
A C G  
You let' em move those feet, and it'll set you free.  
A C G A C G  
C'mon you need to see that I gotta be me, I gotta be, gotta be, gotta gotta be me.  
A C G  
C'mon and feel this beat, 'cause I gotta be me.  
A C G  
You let' em move those feet, and it'll set you free.  
A C G A C G  
C'mon you need to see that I gotta be me, I gotta be, gotta be, gotta gotta be me.

A C G A C G  
Like you, I'm original, trying to move this world from where it's at.  
A C G A C G  
You're laid back and I get stressed, yeah, whenever we're together we're more than that.  
A C G A C G  
My motto is "seize the day and night," and yours says 'let's go with the flow.'  
A C G A C G  
There's no reason to say goodbye, not if you're fast enough for a girl on the go!

(Bridge) (Chorus)
