

People are strange when you're a stranger,
Faces look ugly when you're alone.
Women seem wicked when you're unwanted,
Streets are uneven when you're down.

When you're strange,
Faces come out of the rain.
When you're strange,
No one remembers your name
When you're strange, when you're strange,
When you're strange.
All right, yeah!

People are strange when you're a stranger,
Faces look ugly when you're alone.
Women seem wicked when you're unwanted,
Streets are uneven when you're down.

When you're strange,
Faces come out of the rain.
When you're strange,
No one remembers your name
When you're strange, when you're strange,
When you're strange.
All right, yeah!

When you're strange,
Faces come out of the rain.
When you're strange,
No one remembers your name
When you're strange, when you're strange,
When you're strange.
All right, yeah!
