

Semi-Charmed Life

Third Eye Blind (1997)

G D
I'm packed and I'm holding, I'm smiling, she's living, she's golden,
C G D
and she lives for me, she says she lives for me, Ovation, her own motivation,
C G
She comes around and she goes round with me,
D C
And I make her smile like a drug for you, do ever what you want to do
G D
Coming over you, keep on smiling what we go through,
C
One stop to the rhythm that divides you,
G D C
And I speak to you like the chorus to the verse,
G
Chop another link like a coda with a curse,
D C
And I come on like a freak show takes the stage,

we give them the games we play she said
G D C G
I want something else to get me through this
D C
semi-charmed kind of life baby, baby.
G D C G D C
I want something else I'm not listening when you say goodbye.
G D C G
I believe in the sand beneath my toes the beach gives a feeling an earthy feeling
D C G D
I believe in the faith that grows, and the four right chords can make me cry.
C G D C
When I'm with you I feel like I could die, and that would be all right, all right.
D C D C
How do I get back there to the place where I fell asleep beside you?
D C D
How do I get myself back to the place where you said (Chorus)
