

Jumper

Third Eye Blind (1997)

[capo 3rd fret]

Am C G
I wish you would step back from that ledge, my friend.
Am C G
You could cut ties with all the lies that you've been livin' in, and
Am C G
If you do not want to see me again,
Am C G Am C G
I will understand ... I will understand.

Am C G
The angry boy, a bit too insane, icing over a secret pain, I know something's wrong,
Am
You're the first to fight; you're way too loud.
C G
You're the flash of light on a burial shroud. I know something's wrong ...
Am C G
Well everyone I know has got a reason to say, put the past away.

(Chorus)

Am
Well he's on the table and he's gone to code,
C G
And I do not think anyone knows what they are doing here.
Am
And your friends have left; you've been dismissed.
C G
I never thought it would come to this, and I, I want you to know,
Am C
Everyone's got to face down the demons,
G
Maybe today, we can put the past away ...

(Chorus)
