

# Handy

Weird Al Yankovic (2014)

First thing's first I'm a craftsman (craftsman), Remodeling is my only passion (it's my passion),  
And I'm the greatest in the business,  
Want referrals? Yo, my clientele will bear you witness (right, right),  
I can help when your doorjamb sticks (huh?), There is nothing in the world I can't fix (yeah),  
I do tiles, I do stone, I do bricks,  
Call me; I'll come rushing over with my bag of tricks (bag of tricks),  
Where you go when your disposal is rusted? (rusted),  
Termite problem makin' you disgusted? (yuck),  
When your front window is busted? Just one name that's always trusted.

**I'm so handy, you already know, ... I'll fix your plumbing, when your toilets overflow.  
I'm so handy, bring you up to code, when your dishwasher's 'bout to 'splode.**

Now you say that your furnace is needing some service,  
I'm fully bonded, no need to be nervous.  
Perhaps you would like a new counter – Formica.  
Maybe I'll hook up this here combo washer dryer.  
But all your pipes are antique, your water pressure's too weak.  
You've got an attic full of dry rot 'cause your roof's sprung a leak.  
Your fridge is startin' to reek, your hardwood floors really squeak.  
But don't you worry, I'll just show you my amazing technique.  
Now let me glue that, glue that - and screw that, screw that.  
Any random chore you've got, well, I can do that, do that.  
Or maybe I'll just rewire your house for fun.  
I got 99 problems but a switch ain't one.

**I'm so handy, everyone says so. I'll grout your bathroom, resurface your patio.  
I'm so handy, I'm the guy to know, when your leaf blower doesn't blow.**

Patch the drywall, clean your gutters and mow the lawn,  
Make that phone call, I'll install anything you want.  
Yeah, check my big staple gun. My socket wrenches are second to none.  
I won't quit till I'm done. Don't even care if I hammer my thumb - ow!

Still rockin' my screwdriver, got the whole world thinkin' I'm MacGyver.  
Your heating bills are shocking, I could solve that with some duct tape and some caulking.  
Your house is a disaster, huh? Need a guy who's a master with the plaster, huh?  
Let me be your stripper. Takin' off lacquer? No one does it quicker

**I'm so handy, you already know. I'll beat all price quotes, my hourly rates are low.  
I'm so handy, you should call this pro, I'm in the phone book, and se habla español.**
