

Hello My Old Heart

The Oh Hellos (2011)

Am C F Am C F
Hello, my old heart, how have you been? Are you still there inside my chest?
Am C F Am C F
I've been so worried, you've been so still, barely beating at all.

G Am C F
Oh, don't leave me here alone.
C F G Am
Don't tell me that we've grown for having loved a little while
G Am C F
Oh, I don't want to be alone.
C F G Dm
I want to find a home and I want to share it with you.

Am C F Am C F
Hello, my old heart, it's been so long since I've given you away,
Am C F Am C F
And every day I add another stone to the walls I built around you to keep you safe.

(Chorus)

Am C F Am C F
Hello, my old heart, how have you been? How is it being locked away?
Am C F
Well don't you worry: in there you're safe,
Am C F
and it's true you'll never beat but you'll never break.

Dm C Dm C
Nothing lasts forever, some things aren't meant to be,
Dm Am G
But you'll never find the answer until you set your old heart free,
F C
Until you set your old heart free.
