I IV I V I  
What colors? What colors do you like? What colors do you like?

I IV I V  
I like blue sky, I like... green grass, I like... purple butterflies, ... if you should ask.

I IV  
I like ... yellow daises, ... red daises too,  
I V  
Pink and orange sunsets, watchin' them with you,

I IV  
I like white, snowy white, ... black of the night,  
I V I  
I like the brown of the earth in the ground.

## *(Chorus)*

I IV I V  
I like blue ... blueberry pie, green cabbage and broccoli.  
I IV  
I like yellow corn, orange carrots too,  
I V  
White mashed potato in a brown gravy stew.  
I IV I V I  
I like red strawberry, purple grapes, and I like pink grapefruit.

## *(Chorus)*

I IV I V  
I like blue, blue, blue; I like green, green, green; I like yellow, ... yellow;  
I IV I V  
I like orange, orange, orange; I like red, red, red, I like black, gray, and white;

I like purple, purple, purple; I like pink, pink, pink; I like brown, brown, brown!
