Little Jackie Paper loved that rascal Puff,  
F                    C                    Am       D7       G7  
And brought him strings and sealing wax and other fancy stuff. Oh,

C                    Em       F                    C  
Puff, the magic dragon lived by the sea,  
F                    C                    Am       D7       G7  
And frolicked in the autumn mist in a land called Honah Lee.

Puff, the magic dragon lived by the sea,  
F                    C                    Am       D7       G7  
And frolicked in the autumn mist in a land called Honah Lee.

Together they would travel on a boat with billowed sail,  
F                    C                    Am       D7       G7  
And Jackie kept a lookout perched on Puff's gigantic tail,

Noble kings and princes would bow whenever they came,  
F                    C                    Am       D7       G7  
Pirate ships would lower their flags when Puff roared out his name. oh!                    (Chorus)

A dragon lives forever but not so little boys.  
F                    C                    Am       D7       G7  
Painted wings and giant rings make way for other toys.  
C                    Em       F                    C  
One grey night it happened, Jackie Paper came no more,  
F                    C                    Am       D7       G7  
And Puff that mighty dragon, he ceased his fearless roar.

C                    Em       F                    C  
His head was bent in sorrow, green scales fell like rain.  
F                    C                    Am       D7       G7  
Puff no longer went to play along the cherry lane.  
C                    Em       F                    C  
Without his life-long friend, Puff could not be brave,  
F                    C                    Am       D7       G7  
So Puff that mighty dragon, he slipped into his cave. oh!                    (Chorus)
