

One Headlight

Wallflowers (1996)

F C E Am
So long ago I don't remember when, that's when they say I lost my only friend.
F C E Am
They said she died easy of a broken heart disease, as I listened through the cemetery trees.
F C E Am
I seen the sun coming up at the funeral at dawn, I've long broken all of human law.
F C
It always seemed such a waste. She always had a pretty face.
E Am
I wondered why she hung around this place.

F C
Hey, hey, hey, ... Come on try a little. Nothing is forever.
Dm G
There's got to be something better than in the middle.
F C Dm G F C Dm G
Me and Cinderella put it all together. We can drive it home with one headlight.

F C E Am
She said it's cold, it feels like Independence Day and I can't break away from this parade.
F C
But there's got to be an opening somewhere here in front of me,
E Am
Through this maze of ugliness and greed.
F C E Am
I seen the sign up ahead at the county line bridge, saying all is good and nothing less is dead.
F C
Running 'till she's out of breath, she ran until there's nothing left,
E Am
She hit the end, it's just her window ledge. (Chorus)
F C E Am
This place is old, feels just like a beat up truck, I turn the engine but the engine doesn't turn.
F C
With smells of cheap ol' wine and cigarettes, this place is always such a mess,
E Am
Sometimes I think I'd like to watch it burn.
F C E Am
So alone, I feel just like somebody else. Man I ain't changed, but I know I ain't the same.
F C
But somewhere here in between these city walls and dyin' dreams,
E Am
I think her death it must be killing me. (Chorus)
