

# Into You

Sydney Renae (2016)

Verse 1: I can't explain it, I'm into you, and every little thing you do.  
Never felt the way about no dude,  
believe it when I say that I'm feeling you.  
It's so hard to find someone who's true and kind,  
Kind in every way like, to my body, to my mind.

Chorus: Is it true? That I'm all you need  
Is it true? That you are the one for me  
Is it true? When you are with her, that I am all your memory  
Is it true? You be missing me  
Is it true? The way you be kissing me  
I turn your world around and upside down, you got me now.

Post-Chorus x2 I really like what you've done to me,  
I have no clue what it is you do,  
But all I know is I be loving you, but all I know is I be loving you.

Verse 2: Everybody's like girl don't trip, you the only one he been with,  
He don't even really commit like that,  
I ain't never seen him with no other chick like that.  
So tell me how you feel, cause I can't read yo mind.  
Wanna know what you been thinking, and what you feel inside.

Chorus: Is it true? That I'm all you need  
Is it true? That you are the one for me  
Is it true? When you are with her, that I am all your memory  
Is it true? You be missing me  
Is it true? The way you be kissing me  
I turn your world around and upside down, you got me now.

Post-Chorus I really like what you've done to me, I have no clue what it is you do,  
But all I know is I be loving you, tut all I know is I be loving you.
