

If you think I couldn't hold my own, believe me, I can.  
Believe me, I can. Believe me, I can.  
If ain't so awful and we're all together, I can.  
Believe me, I can. Believe me, I can.

If you think I couldn't roll with you, believe me, I can.  
Believe me, I can. Believe me, I can.  
If ideally we should feel like this forever, I can.  
Believe me, I can. Believe me, I can.

Seems you're coming on.  
Breathe a little deeper, should you need to come undone,  
And let those colors run, (It just so) now you're having fun.  
So do this and get through this, and come find me when you're done,  
So we can be as one.

If you think I couldn't hold my own, believe me, I can.  
Believe me, I can. Believe me, I can.  
If you need someone to tell you that you're special, I can.  
Believe me, I can. Believe me, I can.

If you need someone to carry on, believe me, I can.  
Believe me, I can, believe me, I can.  
If you think no one is feeling what you're feeling, I am.  
Believe me, I am. Believe me, I am.

And the groove is slow, seems you're coming on.  
Breathe a little deeper, should you need to come undone,  
And let those colors run, now you're having fun.  
So do this and get through this, and come find me when you're done,  
So we can be as one.

'Til the mornin', 'til the mornin', oh, and the groove is slow, 'til the mornin'.

And the groove is slow, seems you're coming on.  
Breathe a little deeper, should you need to come undone,  
And let those colors run, now you're having fun.  
So do this and get through this, and until we see the sun, you're my number one.

'Til the mornin' (It just so),  
and the groove is slow, 'til the mornin', and the groove is slow.  
We're both adults but we behave like children, long as we got enough to keep on livin'  
'Til the mornin', 'Til the mornin'.
