

Lightning Crashes

Live (1994)

[Capo 2nd fret]

C G D
Lightning crashes, a new mother cries.

C G D
Her placenta falls to the floor.

C G D
The angel opens her eyes.

C G D
The confusion sets in, before the doctor can even close the door.

C G D
Lightning crashes, an old mother dies.

C G D
Her intentions fall to the floor.

C G D
The angel closes her eyes.

C G D
The confusion that was hers, belongs now to the baby down the hall.

C G D C G D C
Oh, now feel it coming back again, like a rolling thunder chasing the wind.

G D C G D
Forces pulling from the center of the Earth again, I can feel it.

C G D
Lightning crashes, a new mother cries.

C G D
This moment she's been waiting for.

C G D
The angel opens her eyes,

C G D
Pale blue-colored eyes, presents the circle and puts the glory out to hide, hide.

(Chorus)

C G D Em D C D
I can feel it. [Solo]

(Chorus x2)

C G D
I can feel it. ...
