

Something bad is 'bout to happen to me.
I don't know it, but I feel it coming.
Might be so sad, might leave my nose running.
I just hope she don't wanna leave me.

Don't you give me up, please don't give up.
Honey, I belong with you, and only you, baby.
Only you, my girl, only you, babe; only you, darling, only you, babe;
Only you, my girl, only you, babe, only you, darling, only you.

Something bad is 'bout to happen to me.
Why I feel this way, I don't know, baby.
I think of her so much, it drives me crazy.
I just don't want her to leave me.

Don't you give me up, please don't give up
Honey, I belong with you and only you, baby
Only you, my girl, only you, babe; only you, darling, only you, babe
Only you, my girl, only you, babe; only you, darling, only you.

What if she's fine?
It's my mind that's wrong?
And I just let bad thoughts,
Linger for far too long?

What if (if) she's fine? (Fine?),
It's my mind that's wrong?
And I just (just) let bad thoughts (thoughts),
Linger for far too long?

Don't you give me up, please don't give up
Honey, I belong with you, only you, baby
Only you, my girl, only you, babe; only you, darling, only you, babe.
Only you, my girl, only you, babe; only you, darling, only you.
