

"Do not enter," it's written on the doorway.
Why can't everyone just go away?
Except you, you can stay.

What do you think of my treehouse?
It's where I sit, and talk really loud.
Usually, I'm all by myself.

I'm the captain but you can be the deputy.
I'm really glad you think I'm so funny.
I don't think I'm ever gonna let you leave.
