

It really breaks my heart to see a dear old friend

Go down to the worn-out place again.

Do you know the sound of a closing door?

Have you heard that sound before?

Do you wonder if she knows you anymore?

I wrapped your love around me like a chain,

But I never was afraid that it would die.

You can dance in a hurricane,

But only if you're standing in the eye.

Where did you learn to walk?

Where did you learn to run away from everything you loved?

Did you think the bottle would ever ease your pain?

Did you think that love's a foolish game?

Did you find someone else to take the blame?

I wrapped your love around me like a chain,

But I never was afraid that it would die.

You can dance in a hurricane,

But only if you're standing in the eye.

You can dance in a hurricane,

But only if you're standing in the eye.

I am a sturdy soul, and there ain't no shame

In lying down in the bed you made.

Can you fight the urge to run for another day?

You might make it further if you learn to stay.

I wrapped your love around me like a chain,

But I never was afraid that it would die.

You can dance in a hurricane,

But only if you're standing in the eye.

You can dance in a hurricane,

But only if you're standing in the eye.
