

Sunlight fell and reminded me that life can be so gracious, sometimes.  
And I felt like everything around me was connected somehow.

At night I hear the rhythm of the ocean as it breaks on the shore,  
And I think about all the things that I am grateful for.

And they say:

Hold on to the ones you love, keep 'em close to you.

And they say:

Hold on to this time we have, and let the light shine through.

Sometimes I get a little bit emotional when I see love unfold.  
Two hearts bound by reflections of the memories they'll forever hold.

And they say:

Hold on to the ones you love, keep 'em close to you.

And they say:

Hold on to this time we have, and let the light shine through.

There are blessings all around you,

Open up your eyes.

Feel the sunlight fall upon you.

Let it free your mind.

There are blessings all around you,

Take a step outside.

Let your heart shine in a new light.

See it come alive.

And they say:

Hold on to the ones you love, keep 'em close to you.

And they say:

Hold on to this time we have, and let the light shine through.
