

Brother

Kodaline (2018)

[Capo 3rd fret]

Em C G
When we were young we were the ones, the kings and queens, oh yeah, we ruled the world.
Em C G
We smoked cigarettes, man, no regrets, wish I could relive every single word.

Em C
We've taken different paths, and travelled different roads.
G D
I know we'll always end up on the same one when we're old.
Em C G
And when you're in the trenches, and you're under fire I will cover you.

C Em G C
If I was dying on my knees, you would be the one to rescue me.
Em G C
And if you were drowned at sea, I'd give you my lungs so you could breathe.
Bm Em G C Bm Em
I've got you brother. I've got you brother. I've got you brother. I've got you brother.

Em C G
Oh brother, we'll go deeper than the ink beneath the skin of our tattoos.
Em C G
Though we don't share the same blood, you're my brother and I love you, that's the truth.

Em C
We're living different lives, heaven only knows
G D
If we'll make it back with all our fingers and our toes.
Em C G
Five years, twenty years, come back, it will always be the same.

C Em G C
If I was dying on my knees, you would be the one to rescue me.
Em G C
And if you were drowned at sea, I'd give you my lungs so you could breathe.
Bm Em
I've got you brother. I've got you brother.

C Em D
And if we hit on troubled water, I'll be the one to keep you warm and safe.
C Em D
And we'll be carrying each other until we say goodbye on our dying day.

C Bm Em G C Bm Em
Because I've got you brother. I've got you brother. I've got you brother. I've got you brother.

C Em G C
If I was dying on my knees, you would be the one to rescue me.
Em G C
And if you were drowned at sea, I'd give you my lungs so you could breathe.

C Em G C Bm Em
Oh, ... oh, ... oh, ... oh, ... I've got you brother. I've got you brother.
