

Do you want me or do you not?
I heard one thing, now I'm hearing another.
Dropped a pin to my parking spot.
The bar was hot, it's 2 am, it feels like summer.

Happiness is a butterfly, try to catch it like every night.
It escapes from my hands into moonlight.
Every day is a lullaby, hum it on the phone like every night,
And sing it for my babies on the tour life, ah ah ...

If he's a serial killer, then what's the worst
That could happen to a girl who's already hurt? I'm already hurt.
If he's as bad as they say, then I guess I'm cursed.
Looking into his eyes, I think he's already hurt. He's already hurt.

I said, "Don't be a jerk, don't call me a taxi."
Sitting in your sweatshirt, crying in the backseat, ooh..
I just wanna dance with you.

Hollywood and Vine, Black Rabbit in the alley.
I just wanna hold you tight down the avenue.
I just wanna dance with you. I just wanna dance (with you).

Baby, I just wanna dance (dance) with you (dance). Baby, I just wanna dance (dance) with you.

Left the canyon, drove to the club.
I was one thing, now I'm being another.
Go down to Sunset in the truck.
I'll pick you up if you're in town on the corner. Ah, ah ...

Happiness is a butterfly, We should catch it while dancing
I lose myself in the music, baby.
Every day is a lullaby, try to catch it like lightning.
I sing it into my music, I'm crazy.
