  It's all right, it's okay, feeling brave, I'm-a face this day.
Am   F   C
  It's okay, it's all right, no tears will kiss my cheeks tonight.
                                                              Am
And it's all good, and I'm just fine, my words ring out like hollow shouts.
                              F   C   G
Just slow down, it takes time, but time moves slow, I know this well.

    Am   *F*   *G*   *Am*   *F*
My heart breaks one thousand times a day… For every hope that dies, another one takes its place.

     C   **G**   **Am**   **F**   **C**
'Cause, I've got the strength of a mountain. I've got the courage of a deep blue sea.
    G   **Am**   **F**   **C**
I have the heart of a lion, … and the stars burn bright inside of me.
      G   **Am**   **F**   **C**
And although you test me, my God, I stand so proudly, can't you see?
    G   **Am**   **F**
I've got the strength of a mountain, and I'll take all you throw at me.

C   Am
  This world is quite scary, I know that 'cause I've been here for some time.
                              F   C
But all that prepares me for a day when I can truly shine.
                                                  Am
 'Cause I've been so broken, I'm picking up fragments of myself.
                              F   G
I'll glue them back together, so I can stand at the edge of this world and yell.

(Pre-chorus)   **(Chorus)**

Dm   F   C   Dm   F   C
I'll dust the cobwebs off this sheath, and take the sword of my belief,
Dm   F   C   Dm   F   C
And in this storm, I will not flinch. I will not move. No, not an inch.

(Chorus)
