

I think I'm gonna clean my apartment,
Get rid of all the things that I don't need.
Come and pick 'em up if you want them.
I'll leave 'em right by the door, I don't want it anymore.

I think I'm gonna go to a party,
Hang out with a friend you were worried 'bout.
And I don't have to say I'm sorry
For something I didn't do. Ain't making it all 'bout you.

So, hey, what's the use being sad over you?
Now I can't seem to remember being broken.
And hey, what's the time? 'Cause you're not on my mind.
I'm just making sure I won't forget the moment.

When I'm not sad anymore, I'm not sad anymore, no more now.
I'm just mad at myself for being dumb enough to love you.
But I'm not sad anymore.

I'm gonna reconnect with my old self.
I like the one I was before we met.
I'm gonna buy a one-way ticket,
Go places I've never been, 'cause I can do anything.

Going out on Monday, spend all of my money, sleep into the afternoon.
I got all this time now when you're not around and I'm not running after

You took up all my space, and it feels so good to say:

Hey, what's the use being sad over you?
Now I can't seem to remember being broken.
And hey, what's the time? 'Cause you're not on my mind.
I'm just making sure I won't forget the moment.

When I'm not sad anymore. I'm not sad anymore, no more now.
I'm just mad at myself for being dumb enough to love you,
But I'm not sad anymore.

I think I'm gonna throw me a party,
And dance around the kitchen like,
I never got hurt, never gave up my heart
It doesn't feel like I loved you at all.

Hey, what's the use being sad over you?
Now I can't seem to remember being broken.
And hey, what's the time? 'Cause you're not on my mind.
I'm just making sure I won't forget the moment.

When I'm not sad anymore, I'm not sad anymore, no more now.
I'm just mad at myself for being dumb enough to love you.
But I'm not sad anymore, I'm not sad anymore, no more now.
I'm just mad at myself for being dumb enough to love you,
But I'm not sad anymore.
