

Looking up from underneath fractured moonlight on the sea,
Reflections still look the same to me as before I went under.
And it's peaceful in the deep cathedral where you cannot breathe,
No need to pray, no need to speak.

Now I am under all and it's breaking over me,
A thousand miles down to the sea bed.
Found the place to rest my head,
(Never let me go, never let me go, never let me go, never let me go)...

And the arms of the ocean are carrying me,
And all this devotion was rushing out of me,
And the crashes are heaven for a sinner like me,
But the arms of the ocean delivered me.

Though the pressure's hard to take, it's the only way I can escape.
It seems a heavy choice to make, but now I am under, oh.
And it's breaking over me, a thousand miles down to the sea bed.
I found the place to rest my head

(never let me go, never let me go, never let me go, never let me go).

And the arms of the ocean are carrying me (so cold and so sweet),
And all this devotion was rushing out of me,
And the crashes are heaven for a sinner like me,
But the arms of the ocean delivered me.

And it's over and I'm going under, but I'm not giving up, I'm just giving in
Oh, I'm slipping underneath, so, so cold and so sweet.

In the arms of the ocean, so sweet and so cold,
And all this devotion, well, I never knew at all.
And the crashes are heaven for a sinner released,
In the arms of the ocean deliver me.

(Never let me go, never let me go, never let me go, never let me go).

Deliver me, deliver me....
(Never let me go, never let me go, Never let me go, never let me go),
Deliver me ...
(Never let me go, never let me go),

And it's over (never let me go, never let me go),
And I'm going under (never let me go, never let me go),
But I'm not giving up (never let me go, never let me go),
I'm just giving in (never let me go, never let me go),
Oh, I'm slipping underneath, ooh, so cold and so sweet.
