

This is where it ends. I've been down a few broken roads that I'm tryin' to mend,
But this is where it ends,
And I'm breakin' down. You were lyin' when you said that you were trying to work things out,
But now I'm broken down.

Went to battle for ya always,
Fought for ya on your worst days.
Then you told me that you don't love me no more.

You're the last thing that I thought I'd lose.
All I ever wanted was to be loved by you.
I let you back in, and I gave you a second chance.
Like a jet plane on a clear blue sky, sun came shinin' down on all your lies.
I got too much pride to let that happen again.
So this is where it ends.

Had to bury all your memories, couldn't see what everybody sees.
Red flags said I should've walked out that door.
Went to battle for ya always, fought for ya on your worst days.
Then you told me that you don't love me no more.

You're the last thing that I thought I'd lose.
All I ever wanted was to be loved by you.
I let you back in, and I gave you a second chance.
Like a jet plane on a clear blue sky, sun came shinin' down on all your lies.
I got too much pride to let that happen again,
So this is where it ends, ends, ends.
Yeah, this is where it ends.

You're the best thing that ever happened to me.
You showed me what true love shouldn't be.
I found myself the second I gave up on us.

You're the last thing that I thought I'd lose.
All I ever wanted was to be loved by you.
I let you back in, and I gave you a second chance (second chance).
Like a jet plane on a clear blue sky, sun came shinin' down on all your lies.
I got too much pride to let that happen again,
So this is where it ends.
