

Left alone, I just hurt myself.
I take a bottle down from the shelf.
And raise a toast to my own health, not you.

Was it really only me?
'Cause it takes two to disagree.
So let's stay close and we'll both be free. That's true.

I can't be everything to everyone. I can't be everything to everyone.
I don't know why I always try to please everyone around me.
I can't be everything to everyone.

I don't do the things I should.
I don't work as hard as I could.
What are you doing in my neck of the woods, tell me?

Was it just a lesson learned?
Or just a pile of money earned?
'Cause now I'm waiting on you like a tax return. That's true.

I can't be everything to everyone. I can't be everything to everyone.
I don't know why I always try to please everyone around me.
I can't be everything to everyone.

I was wealthy and I didn't even know it. My whole life a magnum, I'm on it.
The only thing I'm in need of is a little tiny piece of your love.
The only thing I'm in need of is a little tiny piece of your love.

I had it all and lost my way,
And now I can't find the words to say.
I feel lucky that I'm even here today. That's true.

I can't be everything to everyone. I can't be everything to everyone.
I don't know why I always try to please everyone around me.
I can't be everything to everyone.

Everything to everyone, ... everything to everyone, ... everything to everyone ...
I can't be everything to everyone.
