

All day starin' at the ceilin' makin' friends with shadows on my wall.
All night hearing voices tellin' me that I should get some sleep,
Because tomorrow might be good for somethin'
Hold on, feelin' like I'm headed for a breakdown, and I don't know why.

But I'm not crazy, I'm just a little unwell. I know, right now you can't tell,
But stay a while and maybe then you'll see a different side of me.
I'm not crazy, I'm just a little impaired. I know, right now you don't care
But soon enough you're gonna think of me, and how I used to be, me.

I'm talkin' to myself in public, dodging glances on the train,
And I know, I know they've all been talkin' about me.
I can hear them whisper, and it makes me think
 there must be somethin' wrong with me.
Out of all the hours thinkin', somehow I've lost my mind

But I'm not crazy, I'm just a little unwell. I know, right now you can't tell.
But stay a while and maybe then you'll see a different side of me.
I'm not crazy, I'm just a little impaired. I know, right now you don't care.
But soon enough you're gonna think of me, and how I used to be.

I've been talkin' in my sleep. Pretty soon they'll come to get me.
Yeah, they're takin' me away.

I'm not crazy, I'm just a little unwell. I know, right now you can't tell.
But stay a while and maybe then you'll see a different side of me.
I'm not crazy, I'm just a little impaired. I know, right now you don't care.
But soon enough you're gonna think of me, and how I used to be.
Yeah, how I used to be.

How I used to be, how I used to be,
Well, I'm just a little unwell.

How I used to be, how I used to be,
I'm just a little unwell...
