

I am Steve. There are many other Steves, but there is only one that is me.
I am Steve. I could have been a David or a Gene, but then I wouldn't really be me.
And I am Steve in the morning, Steve in the eve,
Steve in the mirror looking back saying "who is me?" I am Steve.

And they say: run Stevie, run Stevie, do what you can,
Get you a house and a car and some happiness.
Go Stevie, go Stevie be the best Steve you can be.

Run Stevie, run Stevie, do what you can, and if it doesn't work just try it again
But if you do it right you'll be kicking back at night, saying "yes, I'm living the dream."
I am Steve. I am Steve.

I am Steve. I'm still working on myself,
But Steve still needs a little help.
What's it mean? And why should I get out of bed?
Am I the only Steve with a voice in my head?

Singing run Stevie, run Stevie, do what you can,
Get you a house and a car and some happiness.
Go Stevie, go Stevie, be the best Steve you can be.

Run Stevie, run Stevie, do what you can, and if it doesn't work just try it again.
But if you do it right you'll be kicking back at night, saying "yes, I'm living the dream."
I am Steve.

Steve in the ocean, Steve in the sea,
Stevie looking for the meaning of Steve.
Steve feeling lonely, but Steve ain't alone.
There's a million other Steves in their little Steve homes.

All singing: run Stevie, run Stevie, do what you can,
Get you a house and a car and some happiness.
Go Stevie, go Stevie, be the best Steve you can be.

Run Stevie, run Stevie, do what you can,
And if it doesn't work just try it again.
But if you do it right you'll be kicking back at night, saying "yes, I'm living the dream." I am Steve.

I am Steve. I am Steve.
Yes, I am Steve.
